Education

University of North Carolina

FULL STACK WEB DEVELOPMENT IN COMPUTER SCIENCE

Charlotte

July 21st 2020 – October 14th 2020

Work Experience

Elly Und Stoffl Kindergarten

ENGLISH LEARNING GUIDE

Germany, Munich

2017 – 2020

- I amassed various certificates recognized in Europe while working, such as first aid, a Knippe course, and undergone multiple child speech development courses.
- Effectively managed and taught 20 children at any given time.
- The activities that I designed proved to increase vocabulary, proper use of verbs, nouns, and adjectives of the children in my class.
- The art projects, science experiments and lesson plans that I designed for the children on a weekly basis taught them fine motor skills, scientific knowledge and enhanced their creativity.

English Tutor

BUSINESS AND STUDENT LEVEL ENGLISH TUTOR

Germany, Munich

2017 – 2020

- In my spare time, I tutored German children, Students and Businessmen/women alike that wished to extend their knowledge on the English language. (Same as above)

Sizzlers

HEAD COOK

Australia, Townsville

2015 – 2017

- Every food item that left the kitchen was my responsibility to uphold food safety standards.
- I practiced time management, prioritizing jobs under the pressure of serving 400+ people a night.
